Brooks AFB, TX 78235-52130

SUBJECT: Contingency/Counter-Terrorism Casualty Decontamination Class 030922

1. Congratulations on being selected as a student for the new Contingency/Counter-Terrorism Casualty Decontamination Course, 22 Sep – 26 Sep 2003. The course will begin at 0730, room W144, building 775, at Brooks AFB. Please note that you can access both a base map and a map of the School of Aerospace Medicine from the 'Welcome Info' link on the SAM Public Health web page located at <http://wwwsam.brooks.af.mil/web/eh/index.html>. **Please bring at least four copies of your orders and an extra copy of your airline itinerary to class on the first day** for registration. Plan to use the entire last day for course work and make your travel plans accordingly.
2. This new course will provide you with the knowledge and the tools to train personnel assigned to FFGLB at your home station. It is designed as a “train-the-trainer” class for the Decon Team Chief and the Assistant Team Chief. This course will provide you with information and skills to utilize while training your FFGLB.
3. Your billeting reservations will be made for you. Billeting will not confirm these reservations until about three duty days before the class start date. You may call billeting on the Wednesday or Thursday before class if you would like to know where you will be staying. Billeting’s phone number is DSN 240-1844, or commercial (210) 536-1844. If you are billeted off base, there will be shuttle service provided. Check with your hotel front office for the shuttle service schedule. TDY military members are also authorized to eat at the dining hall located down the street from the school. Uniform of the day for the entire course is the battle dress uniform (BDU).
4. For course information, check our website at <http://wwwsam.brooks.af.mil/web/eh/html/decon.htm>. If the website does not address your specific questions, please feel free to contact me at DSN 240-3741, COM (210) 536-3741, or e-mail: earl.thomas@brooks.af.mil.
